WHO WE ARE

The only European organization representing the interests and views of tax and custom officers

We represent over 400.000 custom and tax officers (workers, civil servants)

Professional association of national trade unions

Founded in 1963

Independent of political parties

MAIN GOALS

- Properly resourced tax and custom administrations
 - Tax justice
- Fight against tax evasion, avoidance and money laundering
 - International cooperation
- High level of education to ensure professional standards
 - Protection of consumers and international trade
